ORANGE COUNTY EDUCATION AT A GLANCE

EDUCATION IN ORANGE COUNTY

Orange County, California is home to 27 school districts, 594 schools, and over 23,000 teachers and administrators serving more than 500,000 students. In addition, 297 private schools serve 50,640 students. Orange County has an excellent community college system and several public and private universities that attract students from across the United States and other nations.

Our schools focus on preparing all students with the competencies they need to thrive in the 21st century. Our dedicated educators work to meet the needs of a diverse population to ensure that **Orange County students will lead the nation in college and career readiness and success.**
