Professional Deployment Services

The selected vendor is required to provide all of the services identified below:

- 1. Tag each Chromebook with the asset tags the Superintendent provides.
- 2. Deliver an electronic Microsoft Excel spreadsheet detailing serial#, wireless MAC address, asset tag # and Google Workspace OU to which the Chromebooks were assigned.
- 3. Register the Chromebooks to our domain using enrollment accounts we provide and install any ChromeOS updates prior to shipping.
- 4. Place each Chromebook in a backpack along with its power adapter and affix a sticker label on the backpack with the Chromebook's asset tag # prior to shipping to a site.
- 5. Ship the Chromebooks/backpacks/power adapters in clearly labeled bundles to the Orange County Department of Education (shipping address will be provided later). The grouping will be based on a Microsoft Excel spreadsheet we provide. At time of delivery, please provide a manifest listing the asset tag #'s of the Chromebooks in the shipment along with a total number of Chromebooks contained in that shipment. The manifest must include a signature line for the recipient at the site.
