ADDENDUM #3 BID # 23-12

Chromebooks with Deployment Services

IMPORTANT NOTICE

Please note the following responses to questions asked by prospective Proposers:

Question 1. Will you allow clarification to liquidated damages? Are we able to take exception to this? If exception is taken, and clarification letter sent with the bid, will we be deemed unresponsive?

Answer: We will not accept an exception to liquidated damages. Consider all factors when developing your delivery estimation for the order.

Question 2. Does a bidder have to bid on the HP product, or can a bidder submit a bid for the "equal" only piece? We did see the other question answered about bidding on the entirety of the line items. Which we plan to, but wanted to see if we had to put 2 options or just the "equal" is ok?

Answer: You can either bid the requested Brand/Model or just the "equal". You do not have to bid both.

Question 3. Can you please elaborate on the item 5, E-waste recycle fee. Are we picking up and e-wasting current equipment? What exactly is this for?

Answer: The e-waste fee is imposed on the retail purchase or lease of certain video display devices that have been identified by the Department of Toxic Substances Control (DTSC) as Covered Electronic Devices CEDs. The vendor is not required to pick up and e-waste current equipment.
