Raising Awareness with: Parents – Teachers – Students

1

2

- What has your site (school, district, or workplace) done to raise awareness about drug and alcohol abuse?
- What are some successes you've had? Challenges?
(4 minutes)
- Thank your partner and return to your seat...

Substance Abuse

- Signs parents should look for
 - Deputy Lance Christensen
 - Deputy Darren Braham

Purpose:

- 1. Deliver current information*
- 2. Provide a model for your own parent meetings*

Engaging "Hot Topic" meetings

- How to get support for a school or district's prevention efforts
 - Sheree Newman, Westminster School District

Purpose:

- 1. Deliver current information*
- 2. Provide a model for your own parent meetings*

Now What?

Raising Awareness + Engaging Families

- What do you want to do this year to inform:
 - Parents/Families
 - Teachers
 - Students

What questions do you still have?

Technology for Families

- What are some Applications (APPS) you can share with your parents/families?
- Stacy Deeble-Reynolds, MPA
Prevention Coordinator

Family Involvement Network + Prevention Coordinators' Meeting

October 5, 2012
